

## Manufacturer's Certification Statement for the Nonbusiness Energy Property Credit

### Effective Dates

January 1, 2023 - December 31, 2032

### Manufacturer

Rheem® Sales Company – Water Heating Division

### Equipment Classification and Qualifications

The U.S. Internal Revenue Service (IRS) is providing consumers with a tax credit on high-efficiency water heating equipment under the provisions at Title 26 of the U.S. Code, Section 25C. The Federal tax credit is 30% of the water heater and installation costs up to \$600 for gas-fired water heaters and \$2,000 for heat pump water heaters.

Product Category UEF Eligibility Requirements	
240V 30 & 15 Amp Hybrid Electric Heat Pump	≥ 3.3 UEF
120V 15 Amp Plug-in Heat Pump	≥ 2.2 UEF
Gas-Fired Tankless	≥ .95 UEF
Gas-Fired Storage	≥ .86 UEF

Please keep this Certification Statement and your dated proof of purchase receipt for federal tax filing purposes. Homeowners must submit IRS Form 5695 and meet all federal tax credit requirements to qualify. Tax credit is limited to an existing home and must be the homeowner's primary residence. New construction and rentals do not apply. Any tax credit that exceeds the consumer's regular tax liability for the taxable year may not be refunded nor carried forward under Section 25C. *Please consult with a tax professional for complete details.*

**Qualifying Rheem Models:** See list of Tankless and Heat Pump model numbers on pages 2 and 3 of this document.

### Certification Statement

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct and complete.

For further questions regarding this certificate, please call Rheem customer service at 800-621-5622.
